CODE OF CONDUCT

This document is designed to lay out the standards of behaviour which can be reasonably expected of all members of Teignmouth Golf Club ("TGC"), in all areas of the Club.

The Code has been discussed and agreed by the Board of Directors in the best interests of the Club as a whole.

Members are respectfully asked to:

- behave in a way, both on the course and in the clubhouse, which upholds the high standards of golf club etiquette, manners and respect;
- conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times (in accordance with Section 1 of the R&A's Rules of Golf), both at TGC and when representing the Club at other courses;
- respect the Club's Dress Code;
- not use language that is likely to cause offence;
- behave in a quiet, calm, friendly and non-confrontational way; and
- remember that all members have an equal right to enjoy the course and clubhouse facilities.

Should members find the behaviour of others falling short of these standards, please draw it to the attention of a member of staff, the Bar & Catering Manager or the General Manager who will act to try to resolve the issue.

Further actions in relation to complaints might include an informal verbal warning, a formal recorded verbal warning, a written warning, suspension or expulsion. This would be carried out in accordance with the Club's Disciplinary Procedure, a copy of which is available from the office or on the website.

Thanks for your co-operation.
